Comments:

Plane Creek Mill processed just shy of 60,000 tonnes of cane for the week, bringing the season total to more than 624,200 tonnes.

Average weekly CCS came in at 15.64 units – an increase of 0.39 of a unit on the previous week.

Bin weights remained healthy, to average 4.04 tonnes for the week.

The highest CCS honours for the week went to a rake of Q183 second ratoon cane from the West Hill productivity area with a CCS of 17.80 units.

A reminder to both locals and visitors to be vigilant as you travel around the region.

Our cane trains operate 24 hours a day, seven days a week. Please use your train brain, obey all signs and signals, and always give way to cane trains.
